This is St. Joseph's College of 1949-1950. It is the story of your work, your pleasure, your life here. It has been a memorable year--St. Joseph's gained recognition by the North Central Association of Colleges and Secondary Schools, enlarged its faculty, and graduated its largest class of Seniors in history.

The Library

The library, a vital part of St. Joseph's educational program, implements and extends class instruction by stimulating study and research, and fosters a love for good books and cultural reading. It has over 30,000 volumes, more than 15,000 bound periodicals and a large collection of government documents.

Well-lighted and cheery reading rooms invite the student to study and leisure-time reading, and forty-five carrels provide him with individual study desk where he may work on research projects. Trained librarians are on duty at all times to assist him.

Brothers

As electricians, infirmarians, plumbers, librarians, and secretaries, the Brothers of the Precious Blood are an integral part of St. Joseph's. Quietly, industriously, they go about their work, serving God and their Community.

Sisters of the Precious Blood

To the Sisters of the Precious Blood who are in charge of the culinary department of St. Joseph's and who work untiringly in behalf of the Collegeville family we owe a special debt of gratitude. Our sincere "thank you" goes to the Sisters!

Clubs

Activities

*P*rom

The annual Junior-Senior Formal is easily the most popular social event of St. Joseph's. Last year more than 200 couples danced to the music of Buddy De Vito and his orchestra. An even larger crowd is expected to participate in the 1950 Spring Prom which will feature a maritime theme and Gay Claridge's Band of Chicago.

Lake County Club

In 1949 a group of students whose home address is Lake County, Indiana, organized the Lake County Club of St. Joseph's College to further interest in the College both in athletics and scholastic pursuits, to bring St. Joseph's to the attention of prospective students, and to strengthen the ties of friendship among club members, faculty, students and alumni.

Early in September the Club, with Fother Boniface Dreiling as moderator, met and elected John W. Lynch, president; Timothy Klein, secretary; and Clarence Kuhn, treasurer. Under their leadership the club sponsored a gala Mardi Gras week end before the Lenten season. Despite a sudden freezing blow that glazed and drifted highways, 150 couples braved the weather to attend the frolic held in the field house.

The 1950 PHASE, like its predecessors, tells the story in pictures of a year spent at St. Joseph's—a year of intellectual, moral and physical preparation for our life after college. Your Yearbook editors have attempted to cover the highlights of campus activities. The success of their work can be measured only by the reaction of the readers.

Stuff

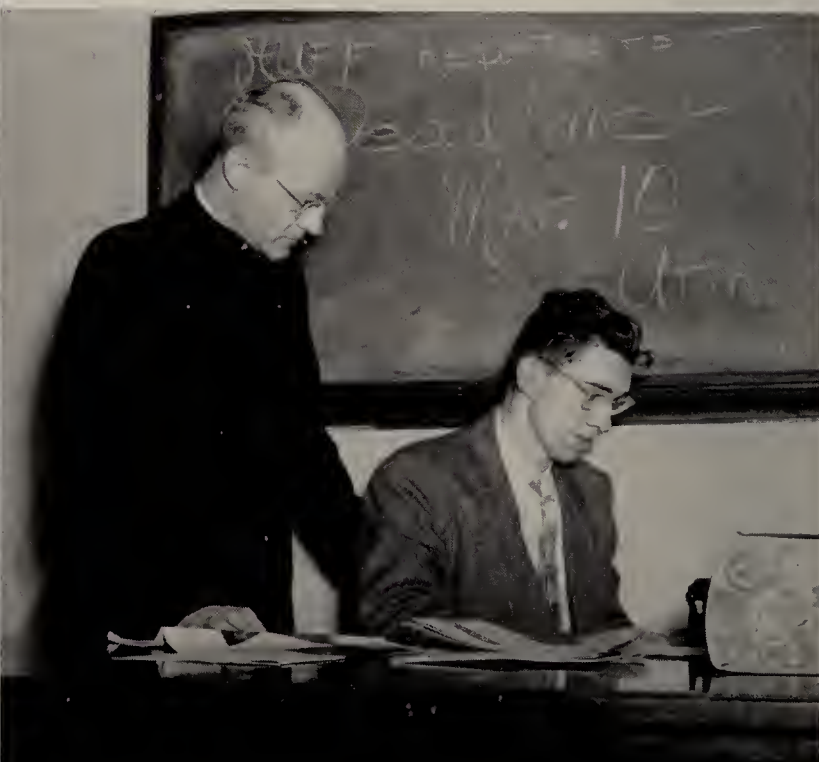

The campus newspaper is a strong and vital part of student life and thought. Covering campus news, commenting on current events, and carrying features light in tone, STUFF has the active support of the students.

Staff members gain experience in journalistic writing, and learn about the make-up, editing and printing of a newspaper first-hand.

In its 13th year STUFF has as its editor John A. Cummings, and David L. Coady, associate editor, assisted by a staff of men who report on all campus activities.

Student Council

With the class presidents and the chairmen of the campus clubs as members, the Student Council represents the student body in all discussions with the faculty, and strives to better the campus life of the students. Suggestions made by students to members of the Council are discussed at bi-weekly meetings. If warranted, certain matters are brought to the attention of the College Administration for decision.

Last fall the fourteen students with seats on the Council chose Charles Barton, president, Joseph McGrath, vice president, James Causland, secretary, and Thomas Carmody, treasurer. Under their leadership the Council has done much to instill school spirit on the campus.

Monogram Club

Membership in the Monogram Club is limited to men who have been awarded the varsity monogram for participation in a major or minor sport at St. Joseph's.

This year the 49 lettermen have been led in their activities by Charles Barton, president; Donald Dippel, secretary; and Donald Quinn, treasurer. Head football coach, Mr. Richard Scharf, is moderator.

The Homecoming Dance, last fall, with the Monogram Club in charge, was one of the most successful social events of the current year. Later the Club sponsored and helped finance a student trip to the St. Ambrose-St. Joseph football game at Davenport, Iowa. Toward the close of the academic year members of the Club were guests at the annual Monogram Club dinner.

The Albertus Magnus Society is an honor society with membership restricted to students majoring or minoring in the field of physical sciences. Its purpose is to acquaint members with various techniques and to afford opportunity for training in methods of scientific thought and procedure.

Members meet twice monthly. The program, this year, has included lectures and demonstrations, the manufacture of steel, the heart movements of the frog, laboratory analysis of drinking water for contamination, and geologists' reports on oil shale formations. Movies and slides of scientific interest have been shown periodically. At the beginning of the second semester the members visited the ultra-modern research laboratories of the Standard Oil Company at Whiting.

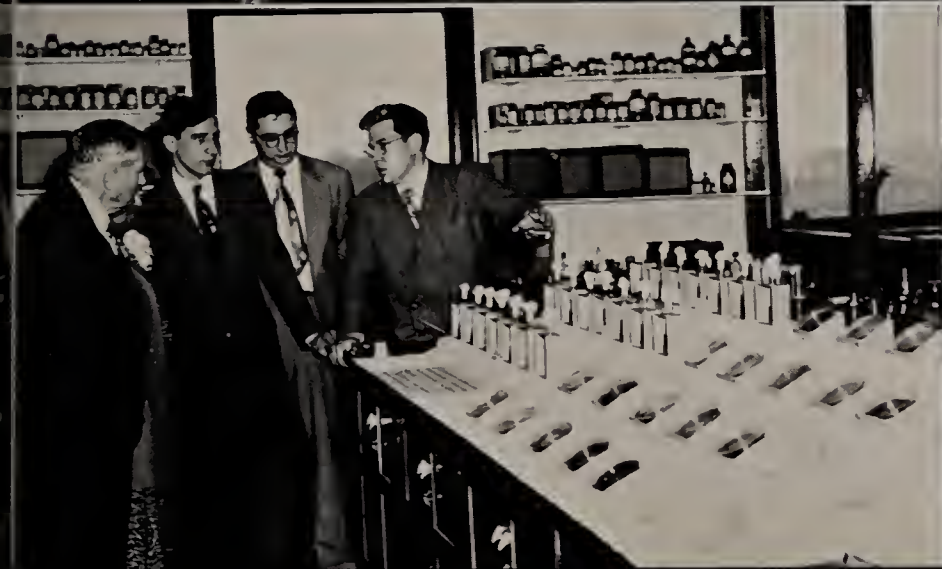

Annually, in the spring, the Society sponsors a Science Day Exhibit. Its objective is to acquaint visitors with the scientific progress made at St. Joseph's. Lectures and demonstrations are conducted by the students.

Officers for the 1949-'50 academic year are: George Bobalik, president; Edward Tomko, vice president; Paul Pollack, secretary; and Charles Greif, treasurer. Father Albert Wuest has been moderator of the Society since its inception twelve years ago.

Albertus

Magnus

Society

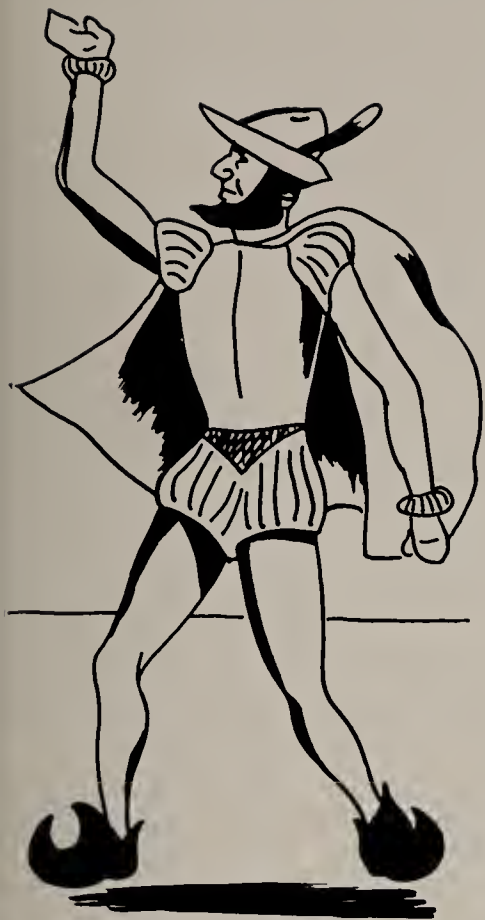

Mr. Ralph Cappuccilli, outstanding under-graduate actor at St. Joseph's, returned to Collegeville, after obtaining his Master's degree at the University of Michigan, to direct the Columbian Players to new heights in entertainment in the College Theatre. During the current year Mr. Cappuccilli directed the Players in "January Thaw" and "Emperor Jones."

To cultivate talent for the stage, either as actor or stageman, is the objective of the Columbian Players. Backstage work—set construction, make-up, ticket distribution, ushering—is the student's responsibility.

The Columbian Players are aided by their good friends, the girls of St. Xavier's Theatre Guild of St. Xavier's College, Chicago. Joining their talents, the two groups have presented five plays in the past two years. Their success assures them of a "long run."

With Mr. Cappuccilli as moderator, Howard Cummings, president; John Cummings, vice president; and Michael Lehnerd, secretary-treasurer; have led the Players this year.

Columbian Players

College Band

The College Band gives the student a fine opportunity for experience and facility in ensemble playing. The Band furnishes the music for various programs during the year and plays at athletic events, adding color and spirit to the contests.

Prof. Paul Tonner has directed St. Joseph's band and orchestra for thirty years. For the past three years he has been assisted by Mr. Daniel Connor, M.M.

Shakespeare

Collegeville enjoyed a rare treat on December 10, when the University Players of Catholic University presented Shakespeare's "Much Ado About Nothing" in the College Theatre. The superb acting of Teddy Kinsey, Art Conescu, Bill Callahan and J. K. Emmet in leading roles made the evening one of the most unforgettable on the college calendar of events.

DWENGER HALL

The National Federation of Catholic College Students is an organization of the students of almost 200 Catholic colleges and universities in the United States, founded to unify the entire field of Catholic college activity and to help the student realize his responsibility toward the student community, the Church, and the nation.

The NFCCS carries on its work through commissions, and calls for the establishment of national, regional and local commissions to accomplish particular objectives and the development of special projects.

St. Joseph's is a member of the Federation and holds the National Press Commission. As one of the six colleges in the Fort Wayne Region, it also holds the Regional Press Commission. From offices here on the campus, during the past three years, nationwide drives against objectionable radio comedy (RAP) and indecent literature have been successfully conducted by the National Press Commission, with John W. Lynch, a senior, as chairman.

N.F.C.C.S.

College Choir

The College Choir, composed exclusively of students in Xavier Hall, increases in popularity year after year and dwarfs all other musical organizations on the campus. Under the capable direction of Father Lawrence Heiman, the choir sings at and enhances all liturgical functions at St. Joseph's, and is equally proficient in Gregorian Chant and polyphonic renditions. By special request it has sung on various occasions at outstanding functions in the Diocese of Lafayette.

Sanguinist Club

Founded to foster Catholic Action on the campus, the Sanguinist Club is one of the most active organizations at St. Joseph's. Under the guidance of Father Leonard Kostka the Club sponsors the Perpetual Novena to Our Sorrowful Mother, two Tridua in honor of Mary, devotions honoring St. Joseph and other religious exercises.

Glee Club

Today the College Glee Club holds an important place in college entertainment. Membership is based on ability, and the concerts given, under the direction of Mr. Daniel Connor, are highly finished performances, often presented jointly with the Glee Club of St. Francis College, Joliet, Ill. Highlights of the past year were the Christmas Cantata—a joint presentation of the two schools—and the Spring Musicale.

GROTTO OF THE AGONY

Chicago Club

The Chicago Club, a social organization, was formed three years ago to stimulate closer relationships among the students and alumni of Cook County, Illinois.

One of the most active clubs on the campus, the Chicago group, led this year by Thomas Carmody, president; John Frawley, vice president; Kenneth Weibel, secretary; and Edward Malone, treasurer, held two successful off-campus dances during the holiday vacations, sponsored an enjoyable Homecoming hayride, and took an active part in Parents' Day on campus.

Club Inter-Americano

Open to students of Spanish, the Club Inter-Americano supplements the work in the classrooms and stimulates interest in the Spanish language and culture. Members meet once a month, with Mr. Luis Soto-Ruiz as moderator, to study Spanish customs and culture, to familiarize themselves with native Hispanic music and folklore.

Chief among its social activities is the annual Christmas party at which many customs of Old Spain and Latin-America are carried out. This year the Club had as its guests the students of Spanish at Rensselaer High School.

Established twelve years ago for the benefit of the students majoring in economics or accounting, the Commerce Club of 1949-'50 has been one of the most active organizations on the campus. To familiarize its members with current practices and policies of the business world, meetings are held twice monthly, featuring round-table discussions on economic and monetary problems. Once a month a guest speaker addresses the members.

Following a long-standing custom several social events were sponsored by the Club, and the annual excursion to a large business establishment took the members to the Standard Oil Company at Whiting in December. The yearly banquet early in May closes the year's activities.

Members of the Club were saddened on December 16 when their founder-moderator, the Rev. Albert E. Gordon, died suddenly of a heart attack. The new moderator is Mr. Kenneth J. Marin. Guiding the largest membership in the history of the Club were Robert R. Ryan, president; Charles Teaney, vice president; George Byerwalter, secretary; Patrick McAvinchey (1st semester) and Anthony Serewicz, treasurer.

Married Veterans

Student enrollment, last September, included 167 veterans of World War II; of these 20 are married and make their homes in Rensselaer or in other towns in the vicinity of St. Joseph's. These married veterans, serious in their thinking and with very definite goals in mind are among those students who have ranked highest in scholastic standings. Pictured here are some of the veterans and their wives enjoying an evening of relaxation at the Mardi Gras dance.

Dietitian

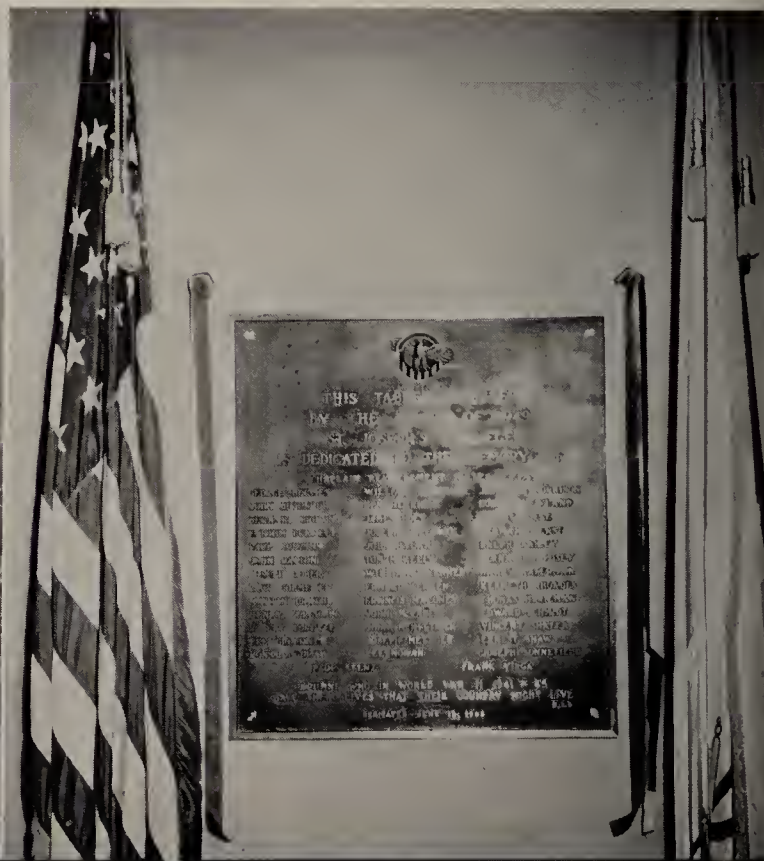

Miss Helen Skinner, a graduate dietitian, has successfully directed the preparation of St. Joseph's meals for the past two years. It is safe to say that culinary and dining facilities here are on a par with the best in the country. The satisfaction felt by the students in general is due to the efficient planning artistry of Miss Skinner.

Graduation

June 6 was Graduation Day for St. Joseph's Seniors of 1949. His Excellency, the Most Rev. Joseph Marling, C.P.P.S., was celebrant of the Pontifical Baccalaureate Mass and delivered the Commencement Address. Following the Mass, His Excellency blessed the bronze plaque, carrying the names of St. Joseph's World War II dead, erected in the vestibule of the chapel, and the parting gift of the Class of '49.

Speckbaugh Memorial Theatre Series

The artists pictured above appeared this year on the stage of the College Theatre: The dePaur Chorus and Miss Anna Kaskas, Metropolitan contralto; The Teltschiks, pianists, and The Revelers, world-famed male quartet.

Classes

CLASS OFFICERS

James Causland, president; Harold Wallace, treasurer; Donald Quinn, vice president; Charles Barton, secretary.

Seniors

The Class of 1950, the largest in the history of St. Joseph's on the eve of graduation looks back with satisfaction upon the past four years, years of development in heart and mind under the supervision of the Fathers of the Precious Blood. Forty-six of their number saw service in World War II; eight members of the class were chosen to represent St. Joseph's in "Who's Who Among Students in American Colleges and Universities." In athletics the seniors provided some of the all-time outstanding athletes of the school. They now step into a world which sadly needs men with the background of the men of '50. Morally and physically they go forth from St. Joseph's ready to meet the challenge of a materialistic world.

Juniors

Leaders in every campus activity, the Juniors have consistently inspired enthusiasm among the underclassmen at St. Joseph's. The class has provided the editor of the campus newspaper; their class president for three successive years is associate editor of PHASE; several of their number have given excellent performances on the gridiron and the hardwood. The Juniors are determined young men, and their accomplishments of the past three years betoken even greater things in their senior year.

Sophomores

One hundred and thirty-four strong, the Sophomores have made their weight felt on the campus this past year. With the arrival of the Freshmen in September, the Sophs began their year's activities. Seeking vengeance for their own initiation, they took their charges through the paces for a three-week period, culminating in the traditional bonfire on Homecoming Day. Several members of the class were found on the roster of the football and basketball teams and give promise of forming the nucleus of stronger teams for St. Joseph's. Next year's Juniors have talent and ability.

Freshmen

Green cap, initiation, Homecoming bonfire and dance will always be happy memories for the class of 1953, but these were but the beginning of college life and of a profitable and pleasant year at St. Joseph's. The Freshmen, though barred from participation in varsity athletics, have been active in class and intramural sports. Collegeville will see a number of them in varsity line-ups next year.

Students for the priesthood in the Society of the Precious Blood spend two years in pre-philosophy studies at St. Joseph's before going to St. Charles Seminary, Carthage, Ohio.

Living in Xavier Hall, the seminarians enjoy one of the most modern buildings on the campus, with their own recreational facilities. They participate in various activities—the College Band, the Choir, and the Dwenger Mission Unit. This past year saw the first copies of a newspaper edited by the students of Xavier. X-PRESS carries local news, editorials and feature articles to parents and friends of the seminarians.

Xavier students are active in intramural touch-football, basketball, and softball, and compete in the inter-hall tournaments in these sports. They won the football trophy last fall.

Grid Statistics How Cliff Beaver Tops in Scoring

St. Joseph's 1949 gridiron campaign is history and the Cardinal Purple have filed into the record book their first winning season since 1942, taking five wins, four, and coming out on points, 138 to 138.

Left halfback Cliff Beaver, co-captain from Rensselaer, carried the ground game and scored honors, picking up 399 yards in the 87 times he carried the ball for an average of 4.5 yards per carry. He made touchdowns in four of the nine games scheduled in scoring with 42 yards.

Right halfback Wall South Bend senior, followed in both departments with 321 yards in 68 attempts and scored.

The Sycamores were completely outclassed in their home game. They were able to penetrate the St. Joe 25-yard line only when Cabell broke away in the third quarter for 49 yards and the State score of the game.

Four plays later John Frawley bulled across for the first down. Frawley's kick was giving St. Joseph's an early lead.

Capt. Al Miesch talks things over with Coach Scharf

The first winning season in the Pumas' postwar football era was written into the record books last fall as Coach Dick Scharf's veteran squad copped five games and lost only four in an obstacle-course schedule.

Led by such veteran gridders as Capt. Al Miesch, center Bud Greif, end Don Quinn, tackle Don Ronan, Don Dippel, Tom Tysall, and pony-backs Wally Moore and Cliff Beaver, the Pumas defeated such small-college stalwarts as Loras, Valparaiso, Indiana State and Eastern Illinois, with the Canterbury Knights thrown in as a side dish.

The neat season started disastrously, however, as Louisville University's Cardinals overwhelmed the local entry, 33-7, in the first tussle of the year. Although the Pumas outscored the Cards in the matter of first downs and yards gained through the air, a series of stunning long gallops kayoed Scharf's men. Louisville's Lucia

The Puma Gridders

"I got rid of it, you get it," says Tom

and Trabue repeatedly broke through the yet-green Puma defense to scamper for yards and yards. Apparently it was the same old story of not enough practice for an early-season game, coupled with the admittedly superior reserves of the larger Louisville aggregation.

Little Cliff Beaver scored the lone St. Joe tally in the second period, when he scooped up a bad pass from center and ambled 36 yards around left end. Tom Quinn, a steady marksman all year long, booted the extra point.

When St. Joe invaded Muncie, the following Saturday, they found a case of revenge on their hands. The Ball State Cardinals, still rankling over the upset loss to St. Joe in 1948, turned on the heat to slap down the listless Pumas, 28-14. In the opinion of most St. Joseph's supporters, this brawl marked the turning-point of the season. It proved to be the last time all year that Coach Scharf's boys played more like house tabbies than Pumas; from this point on, St. Joe's football team was tough.

Once again it was a case of long runs beating the Pumas, as Max

The beginning of the end, if "Legs" has anything to do with it

Kehoe of Ball State romped continuously. After the Cardinals had hung up a fast 7-0 lead in the first period, by virtue of Kehoe's 96-yard jaunt, they pushed two more TDs across in the second quarter, and coasted in from there. With the score 28-7 and only eight seconds left to play, quarterback Tom Quinn flipped a long pass to Beaver who stepped into the end zone. It was Beaver's second score of the campaign.

The first win of the year was achieved over Eastern Illinois on the St. Joe gridiron by a 12-6 score. The Pumas were not the same team; their tackling was sharp and

deadly, their running sure; their passes were once again the spearhead of the attack. Tom Quinn completed eight of his 13 tosses against the Panthers, setting up both touchdowns. Once again Cliff Beaver scored, with Wally Moore tallying the initial marker. A feature of the game was the 40-yard-plus punting of Don Quinn, who was to keep the Pumas out of trouble all year long.

The next game was the familiar old story: St. Joe took another Homecoming game! This time the Crusaders of Valparaiso U. were the victims, 19-7. Although Valpo was

heavily favored to win, they could not cope with the inspired play of the wrought-up Pumas. Beaver, Frawley and Bidwell provided the scores; but perhaps the outstanding feature of the game was the punting and pass-defense work of Don Quinn. He intercepted three passes to keep Valpo at bay, while his 42.5 punt average repeatedly drove the Crusaders back into their own territory.

St. Joe's third straight victory achieved the sweetest of Puma objectives; trouncing the Loras Duhawks. The score was 20-0 before an estimated 3,000 Dad's Day crowd on the Collegeville field. Considered two-touchdown favorites by the "experts," Loras was hammered into submission by alert pass defense and terrific play against the notorious Loras forward wall. For the fourth straight game, Cliff Beaver streaked

over the goal-line, with Wally Moore and Ed Schultheis picking up the other two scores. The Duhawks were unable to penetrate past the St. Joe 36-yard line at any time; the game was all Puma throughout.

The toughest defeat of the year, from the standpoint of disappointment, came at the hands of St. Ambrose's Bees, by a score of 20-12. The Bees were considered by the Pumas themselves to have been the most vicious team they faced all season. St. Ambrose racked up 290 yards rushing to St. Joe's 78. The Pumas battled hard the whole game, almost turning it into a victory in the third period when they pulled

Something's gonna happen

up to a 14-12 deficit. St. Joe TDs were scored by Frawley and the ever-present Cliff Beaver.

The 38-0 disaster at St. Norbert's is better left forgotten. The favored Pumas were literally played off their feet by the Homecoming-inspired Green Knights, and were never in the ball game. Fumbles, interceptions, and the injury-enforced absence of

punter Don Quinn caused most of the trouble. The Knights racked up 26 of their 38 points in the second half.

An away-from-home losing streak of more than two years was broken when the Pumas smashed Indiana State at Terre Haute, 33-6. In a complete reversal of form

Pat's in for trouble

from the previous Saturday, St. Joe walloped a weaker Sycamore team by scoring 26 points in the second half. Playing before an enemy Homecoming crowd did not seem to bother the Pumas this time, as five St. Joe ball-carriers charged over the goal.

The season's final game saw St. Joe beat the Canterbury Knights at Kokomo in a night game, 21-0. Thirteen seniors closed their grid careers at St. Joseph's with the victory.

The first period made the game look like a veritable romp for St. Joe as Wally Moore twice broke loose on long runs and the Tom to Don Quinn combo accounted for the scores. However, the Pumas bogged down as the game went on, with frequent interceptions and fumbles telling the reason why.

George hits the bucket

St. Joseph's varsity basketball squad opened the lid of the 1949-'50 season on Dec. 1 with a 50-30 win over Chicago U. It was the first time the two schools had met on the court, and the Pumas had an easy evening.

The Cardinal and Purple were leading by a mere point at halftime against Canterbury College but, aided by Ray Patterson's 20 points, soon pulled into a greater lead and won easily, 61-53.

A smooth-working Evansville quintet gave the Pumas their first setback of the year. George Peters hit for 14 points, but the final score was Evansville 54, SJC 42.

Bill Krodel led the way with 15 points on Dec. 8, when the Pumas posted a 49-45 victory against Illinois Wesleyan in the field house.

The Pumas encountered their first Midlands Conference foe when they met Loras at Dubuque on Dec. 11. The Cosgrovememen had a bad second half, and Loras went from a 39-38 halftime lead to win 73-59.

In their second Midlands Conference tilt the Cardinal and Purple watched their 35-25

halftime lead dwindle and then disappear as St. Ambrose scored 44 points to win 69-56. Peters continued his big scoring ways with 21 points.

The Maroons of Chicago U. had the advantage for three-quarters of the game played in the Windy City, Dec. 16, but the Pumas forged ahead in the last ten minutes of play to win, 55-47. Peters scored 24 points for the best Puma individual scoring of the season up to that date.

In early January the Pumas headed East for two games. In the first game, Rider College of Trenton, N. J., led all the way and chalked up a 54-45 victory. The Cardinal and Purple defeated the New York Athletic Club in a close battle, 66-65, two nights later. Patterson hit the final basket for St. Joe, while his teammate, Peters, was high man again with 24.

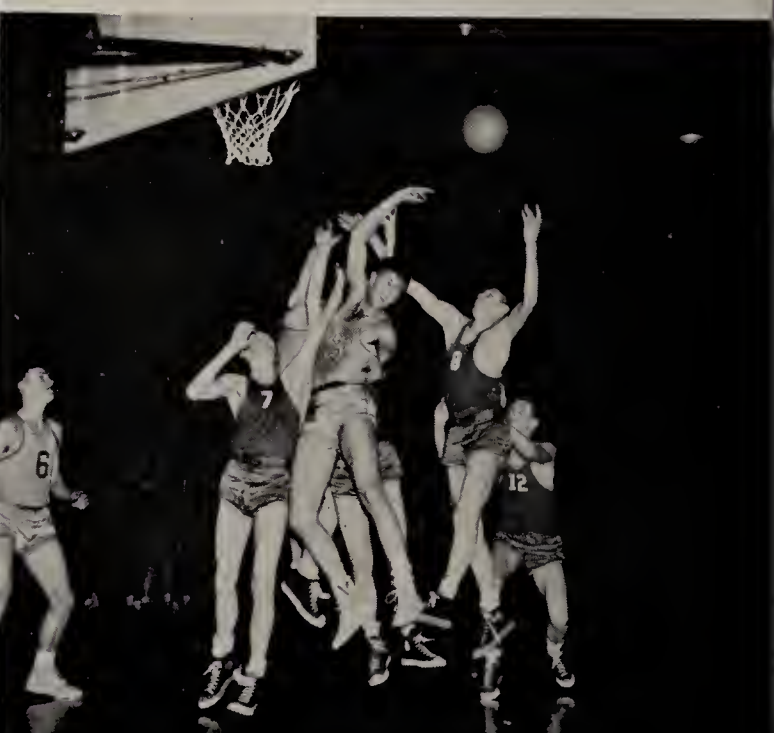

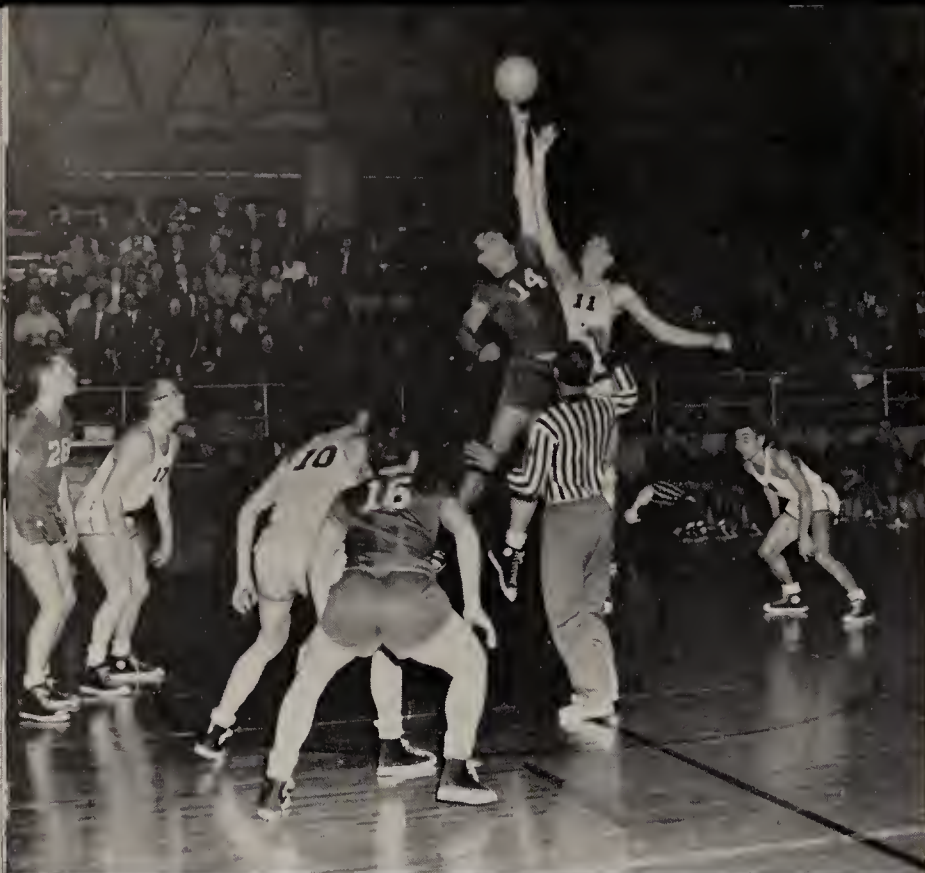

Valparaiso's Crusaders broke loose after the first quarter in the field house and, cheered by a large delegation of fans, pasted the Pumas 64-37.

Art Cosgrove's charges entertained one of the top teams in the nation, Jan. 13, as Duquesne took a 51-40 win. The Pumas played one of their best games of the season, and the Dukes did not substitute until the last three minutes.

The Pumas won their first Midlands Conference game of the season when they whipped St. Ambrose in an overtime session, 57-47, thus avenging an earlier loss. Long Bill Krodel dumped in 19 points.

Jack Wilz was the hero of the hour when he hit a bucket with but 45 seconds to go against Ball State, after the visitors had led all the way. The Muncie quintet lost the thriller, 47-45.

On Jan. 26 a classy Indiana State outfit showed its prowess when it took the Pumas into camp, 80-51.

DePaul's Blue Demons played a red-hot first half on the St. Joe floor, pulled into a 41-29 halftime lead and won handily, 76-64. Patterson was high man for the Pumas with 15 points.

Cardinal and Purple fans saw their most exciting game of the season on the home floor, Feb. 6, when St. Norbert was leading a conference tilt, 68-66, with a few short seconds left. Jack Wilz hit a field goal from close in and the buzzer sounded before the ball hit the boards. In the overtime St. Joe jumped into a lead, stalled the last 30 seconds, and won 76-74.

Despite Jack Dwyer's 18 points against Valparaiso in a return tilt, the Pumas lost to the Crusaders, 73-52.

In a second game with Loras the Cos-

grovemen grabbed a third quarter lead but could not hold it; the final score was Loras 77, St. Joe 64. The next night, the Pumas lost again, this time to Wabash at Crawfordsville, 61-48. Dwyer was high point man with 15.

Indiana State's Sycamores were St. Joe's opponents for the last home game of the season. The Pumas led early, but State found the range and rang up a 70-53 victory. It was the last home game for seniors Bill Krodel, Chuck Barton, Ray Patterson, Bob Horky and Don Tesmond.

The Titans of Illinois Wesleyan avenged an earlier season's loss to the Pumas when they met the Cardinal and Purple at Bloomington, Ill., Feb. 26. Although the Pumas outscored Wesleyan, 35 to 29, in the second half, they could not overcome the Titans' first period surge. Final score: Wesleyan 73, St. Joe 56.

In the last game of the season and also the final conference match on March 1 at West DePere, Wis., the Pumas were completely snowed under by the Green Knights of St. Norbert's, 91-74. The Knights looked unbeatable as they made 46 per cent of their shots from the field. Puma Center Jack Dwyer was high man for the evening, with 29 points.

Thus ended a season which seemed so promising last December. The Puma record book shows eight wins and 14 losses.

For four years Charles Teaney has been student manager of athletics. He has done a remarkable job, and the Pumas are grateful.

Early in January Coach Cosgrove and his Puma basketball team boarded an American Airlines Aircoach in Chicago which took them East for two games. They lost to Rider College, Trenton, N. J., 54-45, on January 4, but bested the New York Athletic Club, 66-65, two days later.

Extramural Tournament

St. Joseph's intramural program, including football, basketball, soft-ball, volleyball, and table tennis, under the direction of Mr. Fred Jones, has developed a fine competitive spirit in the students.

Annually, in March, the winners in intramural competition participate in the Midlands Extramural Tournaments. Twice St. Joseph's has won second place (1948 and 1950), and once placed third (1949).

Where's that sack?

In the spring of 1949 St. Joseph's field house was home for an on-and-off baseball club. The Pumas won six and lost nine diamond encounters for a team record of .400. Pitcher Pete Perlongo was the high-percentage hurler, with 1.000 — winning two and losing none. Don Tesmond pitched two wins and two losses. On the swinging

of 17-2. Garnering 18 hits, Purdue went through four St. Joe hurlers, and allowed the locals only four hits. Wally Moore and Bill Taylor scored for the Pumas.

VALPARAISO 6—S.J. 0

On April 11 Valparaiso's Crusaders visited the campus and breezed through to a 6-0 win over St. Joe. Valpo's ace, Dick Scheub, pitched air-tight ball, allowing only five well-spaced hits and two walks. Don Tesmond went the route for the Pumas.

CHICAGO 11—S.J. 4

Chicago University dealt the Pumas their third setback, 11-4, on April 12, on the

local diamond. The St. Joe hitting attack continued to slump. The Pumas stretched four runs out of five hits, but the Windy City squad made tallies of 11 of their 14 hits.

CHICAGO 10—S.J. 8

The Pumas suffered their fourth straight loss on April 23 in a second meeting with Chicago U. at Chicago. Seventh and eighth inning rallies by the Maroon nine put the score at 10-8. For the first time in the season, however, the Cardinal and Purple showed signs of life at the plate smacking nine well-hit balls for base hits; Veteran Cy Bohny contributed three of them.

Cy sends one for a ride

S.J. 8—WABASH 7

The first win of the season came on April 27 when the Pumas edged Wabash College, 8-7, on the local diamond. Wabash led 7-3 until the Pumas came to bat in the last of the sixth frame and tied it up, 7-7, with a four-run rally. The winning tally crossed the plate in the eighth. Cy Bohney allowed 10 hits and gave up five walks, but fanned eight. Wally Moore accounted for three of the Pumas' 10 hits.

S.J. 10—TAYLOR 4

Taylor University gave the Pumas their second victory on April 29, as the Cardinal and Purple racked up a 10-4 score at Collegeville. Pete Perlongo was credited with the win. St. Joe capitalized on seven Taylor errors to make 10 runs on 10 hits. Mike Beaven, with a brace of singles, got more than one.

S.J. 10—BALL STATE 9

The Pumas' third straight win came on May 3, at Muncie, when the Cardinals of Ball State fell 10-9 in a three-hour tussle. Pete Perlongo started for St. Joe, but was relieved by stocky Don Tesmond in the fifth. Allowing the Cards only three scattered hits in four and one-third innings, Tesmond insured the Pumas' win.

WABASH 5—S.J. 3

On May 4 the St. Joe nine ran up against a revived Wabash club. Seeking revenge for the early-season defeat, the Wabash Cavemen parlayed five hits into five runs for a game-long lead. A Puma rally in the ninth fell short by two runs, and the Cavemen left the field with a 5-3 victory.

INDIANA STATE 6—S.J. 0

Darrel Wible, ace Indiana State hurler, served the Cardinal and Purple a no-hit, no-run defeat at Terre Haute on May 6.

S.J. 9—EASTERN ILLINOIS 6

The Pumas came back into the winning column on May 14, when Puma third sacker, Mike Beaven, poled in two long home-runs to lead his teammates to a 9-6 victory over the highly-touted Eastern Illinois nine.

BALL STATE 12—S.J. 8

Ball State slammed out a 12-8 victory over the Scharfmen in Puma park on May 17, rapping four St. Joe hurlers for 15 hits, including a home run, three triples and a double. Although the Pumas swatted 13 safe hits, only eight runs came in.

S.J. 15—VALPARAISO 11

St. Joe hitters finally came into their own on May 22 when they met Valpo U. on the Collegeville diamond in a "hit-infested" game. The Pumas slashed out 15 hits for 15 runs, Jim Dolan, St. Joe's second sacker, leading the slugging with two doubles and a single.

XAVIER U. 4—S.J. 0

The only extended road trip of the Puma

season brought an even split in games. On May 24 at Cincinnati the Xavier squad dealt the Cardinal and Purple a 4-0 white-washing. Chuck Gorman went the route for the Pumas and was touched for eight hits, all of them in the first four frames.

S.J. 4—EARLHAM 2

Pete Perlongo notched his second victory against no losses when he downed Earlham, 4-2, at Richmond. Until relieved by Tesmond in the ninth, Perlongo had allowed nine hits and four passes, and whiffed seven.

INDIANA STATE 12—S.J. 6

The final game of the season brought Indiana State and Darrel Wible, who had blanked the Pumas in a no-hit, no-run session earlier in the month, to the Collegeville diamond. A seventh-inning rally sparked the Sycamores to a 12-6 win over St. Joe on May 27. The Staters rapped Maurie Hamilton, Don Tesmond and Chuck Gorman for 17 big hits, and turned them into 12 runs. The Pumas were able to get only five base knocks from Wible, and two more from Elish, eighth-inning relief pitcher, for seven hits and six runs.

After being drubbed soundly by Wabash College, 20 1/2-1/2 and 18-3, the Puma golfers met and defeated Indiana State, 10-8. Played on the Curtis Creek links, St. Joe's "home" course, the match ended with Tom McNerney with a low 75.

Canterbury was the next victim, losing on their own course by a 15-6 score. Bill Miller, who went the rounds in 77 strokes, was low man.

Valparaiso U. tied the Cardinal and

Purple, 9-9, on the Curtis Creek course. Valpo's Knoll was low with an impressive 73; McNerney tied Burt with 79 for second honors.

In the final match of the season Indiana State avenged their earlier loss at the hands of the Pumas by running up a 13 1/2-4 1/2 score against St. Joe. Low point man of the day was State's Criss, with a 75, while Charlie Gerst was right behind with a 76.
